

# SAISD Internet Driver's Permit

## OVERVIEW

In these lessons students will learn about the basic concepts of using the Internet responsibly.

## GRADE LEVELS

Grades 2-12

- Discern the appropriate uses of materials in regards to copyright laws and citing sources;
- Apply Internet Safety Rules as they pertain to various tasks using the Internet.

## TIME ALLOTMENT

Each Section of the Internet Driver's Permit ranges from 20 to 45 minutes.

## SUBJECT MATTER

This lesson includes instructional goals in Technology, Language Arts, Science, Social Studies, Mathematics and the Fine Arts.

## STANDARDS

Texas Essential Knowledge and Skills (TEKS)  
(<http://www.state.tx.us/teks>)

Review the Technology TEKS, Language Arts TEKS, Science TEKS, and Social Studies TEKS as they pertain to research and integrating technology skills within the curriculum.

## LEARNING OBJECTIVES

The students will be able to:

- Understand basic technology terms as they pertain to the Internet;
- Apply an understanding of Acceptable Use Policies to their use of the Internet;
- Use appropriate and relevant strategies when searching the Internet;

## MEDIA COMPONENTS

### WEBSITES

SAISD Internet Driver's Permit:  
<http://lms.saisd.net/idp/>

**TEACHERS:** If you are interested in using this in your classroom or have your school use it in

teaching the students about the Internet, please contact our office for an official permission. Though the websites used are not our copyright, the format is our design. Thanks!

## MATERIALS

Review each online lesson plan to determine what materials you will need.

## VOCABULARY

A vocabulary list is included with each online lesson.

## PREP FOR TEACHERS

Please review and verify the hyperlinks to make sure everything is working online. If any of the hyperlinks are not working, email [lalfaro@saisd.net](mailto:lalfaro@saisd.net).

## INTRODUCTORY ACTIVITY: SETTING THE STAGE

After previewing the online lesson, the teacher may develop their own introductory activity.

## LEARNING ACTIVITIES

Each lesson plan includes some type of activity for the students to complete either individually, in groups or whole class. Please review these activities and download whatever lists, charts, graphs noted in the online lesson.

## CULMINATING ACTIVITY

## Paper – Pencil Quiz

Each lesson has a paper-pencil quiz that must be printed for the students to take. Due to the nature of this product, the final evaluation is not available for anyone other than SAISD students.

## CROSS-CURRICULAR & EXTENSION ACTIVITIES

### SOCIAL STUDIES

- Research

### LANGUAGE ARTS

- Writing
- Research

### MATH

- Downloading from reliable sources

### SCIENCE

- Research
- Online Experiments
- Online Simulations

### ARTS

- Writing
- Online Simulations
- Research

### TECHNOLOGY

- Using hardware peripherals
- Understanding terminology
- Applying basic and advanced technology skills
- Research
- Simulations/Experiments

## COMMUNITY CONNECTIONS

By applying the concepts learned, students will become responsible citizens using the Internet in other libraries and/or public locations.
