

# The Institute for Connecting Teachers and Technology Call for Presenters “Rockin’ with Technology”

**September 23, 2006, University of Texas San Antonio, Downtown Campus**

The organizers of KLRN’s Institute for Connecting Teachers and Technology (ICTT) are seeking educators willing to present two hands-on, interactive sessions (60 minutes in length to groups of 30-35) on **Saturday, September 23**, from 9:30 a.m. -3:30 p.m. You will present the same workshop two times to different groups of participants. Accepted presenters will create a lesson plan to share with session participants (lesson plan template provided by KLRN) and will include detailed instructions for using technology in the classroom. Stipends of \$125 will be paid to presenters.

This year’s ICTT theme is “Rockin’ with Technology.” The purpose is to highlight the importance of integrating cutting-edge technology and instructional video into the classroom curriculum. A list of possible topics is included below, and other session topics will be considered. Presenters are encouraged to incorporate the theme into their presentation. For more information on ICTT, please visit our website at [klrn.org/ICTT](http://klrn.org/ICTT) or call Ginette Brown, KLRN Director of School Services, at (210) 270-9000.

## **Possible Session Topics And Focuses Include:**

Kindergarten technology	Using interactive whiteboards
Wireless applications	Electronic & virtual field trips
Cooperative groups using computers for projects	Storytelling
Hands-on technology learning	Video journalism for students
Art	Video in the content areas
Web quests	Software & websites to use in the classroom
Laptops	Web design
Copyright	Video yearbooks
Evaluating websites	Online science labs/discussions
ESL and technology	Making digital movies
Computer ethics (e.g. addressing plagiarism)	Using digital technology in the everyday classroom
Current events (in technology)	Sources for funding technology
Handhelds in the classroom	Advanced level technology topics
Application of technology in classroom	Using specific computer software
Science technology in classroom	Literature and technology
