Bookmark Contest

No bones about it, the fourth and fifth grade students that participated in the “Be a Responsible Pet Owner” Bookmark Contest put on by KLRN-TV and the Humane Society SPCA of Bexar County during spring 2006 had a lot of talent and knew some great pet care tips.

Our panelists had to look through over 300 entries from local students and select only three winning entries from each grade level (4th and 5th grade). **The winning bookmarks are now available to print online at www.klrn.org/hand-in-paw.** Look around the website for celebrity public service announcements, animal-friendly teacher lesson plans, and an entire pet care library with a lot of helpful tips on how to care for your community’s pets.

This bookmark was created for the “Be a Responsible Pet Owner” Bookmark Contest, a part of the *Responsible Pet Ownership: Working Hand in Paw* collaborative effort between KLRN and the Humane Society SPCA of Bexar County. This project, funded through a grant from the San Antonio Area Foundation, is designed to help educate our community about the importance of responsible pet ownership.

KLRN and the Humane Society would like to thank all of the participants in this contest.
